

INDIAN LEARNERS OWN ACADEMY, KUWAIT

22-07-2020

Dear parent,

Eid Mubarak!

Stay safe; Stay healthy

Our first term concluded on 15th June. As all the students are in station, we are starting the second term right after Eid, on 4th August 2020. **We have given 42 extra working days benefit** to our students by working 11 days extra in June, 22days in August and 9 days winter break has been cancelled.

Our virtual classes will begin on 4th August and will continue till the Ministry allows us to resume regular physical classes. Hence virtual classes should be taken seriously. As per CBSE directive attendance of virtual classes will be taken into account. Each child should have 75% attendance in order to be considered for promotion.

The last date for the payment of second term fee is 15th August 2020, kindly act accordingly. Please refer to your ward's school diary for the fee payment schedule. All those who have paid for mobile app will be connected to virtual classes automatically. Others will be responsible for not being able to connect to classes on account of non payment for mobile app facility.

This is to inform you further that our cashiers have been instructed to work on every Saturday from 5:00 p.m. to 7:00 p.m. This has been done on demand of parents. This year we may not be able to have any formal function, so the certificates have been inserted in the report cards. Parents of KG classes of the academic year 2019-2020 will find CD's of Graduation Ceremony attached to the report card for which they have already paid. Please collect report cards of the session 2019-2020 from the office.

We will assume that those children for whom the first term fee has not been paid, parents do not want to continue with us. **The last date for the payment of the first term fee was 15th March 2020. And on 15th August**, it will be assumed that the first term fee defaulters are not with us.

All those who have some specific problems regarding payment of fee may see the undersigned with a prior appointment.

I am sure that you will opt for regular studies of your ward and will do the needful. Kindly attend the Parent Teachers Meeting organized for you and oblige.

Thank you

Principal
