Subject: Appreciation letter

Respected Madam,

I am Deepa, mother of Harshita Sai Gadikota (8B, 44, Admin No. 6234). I take this opportunity to appreciate all your efforts for the smooth run of online classes during this pandemic. I was very worried when I learnt about online classes instead of regular classes. I was worried how my daughter would cope up. Top of that many teachers are new this year. By god's grace all the teachers are very kind, patience with the students. They all are handling very well. my daughter has achieved a lot this year. Learnt new things, participated in many activities with teachers support and encouragement. I am very satisfied with her progress of this year. I take this opportunity thank all the class teachers of 8B, management and honorable principal.

Thanks and best regards,

*Deepa*
