

Blue is a primary colour and it is the colour of the universe. It is the colour of the ocean and the sky.

Dear Parents,

We will conduct "BLUE DAY" activity on Sunday, 17 January 2021.

Children are requested to wear blue colour clothes on this day. We will introduce the children to the essence of the colour and its calming and inspiring nature.

Materials required for the activity:

- 1. Blue colour paper**
- 2. Black sketch pen or black crayon**

Parents are requested to cut the blue paper into a square shape or colour the white paper into blue with blue crayon.

Follow the steps to complete the activity.
