Dear Parents,

As you know that we are going to declare the result of classes 9 and 11 on 24<sup>th</sup> February 2021 between 9 and 1 p.m., we expect you to observe some cautions.

1. For **one result sheet only one person** should come to school. This is so because Ministry has not permitted even the family gatherings and if parents come with the students, more number of persons will be at the counter or at school, which we want to avoid. Kindly take care and do not land us in any trouble.
2. We have to call you to collect the result sheet in person **because duly sealed original copy of the result sheet** should be with you as this is a board class document, which you may need anytime, and **original signature of the Principal and original school seal are a must to prove its authentication** so we cannot send it via mail.
3. **Parents of classes 9 A, B and C students should enter school from gate no.3 (in front of covered ground), whereas parents of class 11 A, B, and 9 D students should enter from gate no.1 which is in front of a big open parking ground.**
4. Please get your temperature checked before you enter the school building. All the persons coming to school should sanitize their hands and should wear masks and gloves.
5. **Please come at the time prescribed only and finish your work within 20 minutes.** Please bring exact **cash of K.D. 50/- only** towards the book set and ID so that no time is wasted at the counter.
