

Dare to Dream and Strive for Excellence

Our Mission:-

The mission of Indian Learners Own Academy is to develop each child to his/her fullest potential spiritually, intellectually and physically, so that each may grow in grace, enjoy freedom through knowledge and lead a healthy, productive and meaningful life.

Our Vision:-

We believe that every child matters and reading should be a matter of enjoyment. Our vision is to make each student of Indian Learners Own Academy an achiever and a lifelong learner. We should be able to unfold all innate capabilities of each learner at school in each field to the optimum possible level to make him/her happy, self realized and good human being.

Our Objectives

- ✚ To integrate academic excellence, community spirit and healthy life style, in order to create an environment that inspires a child to learn as per his/her ability;
- ✚ To make academy a community of people which includes the students, parents, faculty and staff, who have a great love for God, love for thy neighbor, and love for learning;
- ✚ To express warmth, empathy, concern and respect for life;
- ✚ To lead children to knowledge and experience the love for learning and active participation in class and activities of the school;
