Draw any village scene based on your imagination, use your own colouring media..sample given page number 51 –Art plus

Village Scene : Pencil Study

This is a scene of an imaginary village settings with a well, a woman, cow, huts and trees. You can also find a suggestion of a hilly background in the composition.

Redraw the scene of village setting. Notice the details represented in pencil by the artist.

Paper Sculpture (Bas-relief)

This form of art is very popular among children as it is easy to create with available colour paper scrap.

Follow the steps given below and create one for your room.

Flowers in Relief

Step 1

Cut many colour paper flowers

Step 2

Give relief shape by rolling the edges of petals inward.

Step 3

Stick a round mirror in the centre.

Step 4

Cut many paper leaves

Step 5

Fold each leaf from the centre to give relief effect.

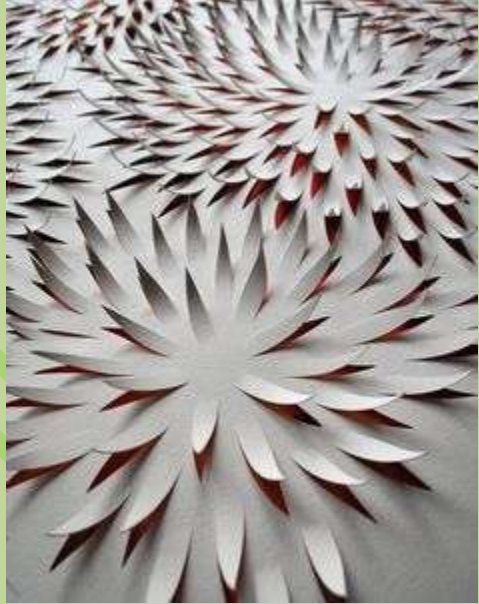

Step 6

Open up leaves and arrange on a matching colour paper along with flowers and paste.
